GROOMING SALON

Change of Ownership

February 27, 2015

Back in 2006 Jay and I saw the need for an upscale pet Grooming Salon in St George, so we decided to open one. I enrolled in the necessary schools in Las Vegas and then onto an advanced school in Chicago. I wanted to learn the multiple facets of pet grooming so when we opened the business I would be totally prepared with good knowledge of the grooming business. Jay's background in owning and running a successful manufacturing company gave him the knowledge for the financial end of our business. Our goal was to have a Grooming Salon that our clients and their owners would always enjoy. In the fall of 2006 we opened the doors to La de Paws Salon. In 2012 we opened a second Salon in Mesquite Nevada. Decisions we have never regretted.

After almost 9 years we have decided it is time to retire. It has been a difficult choice; we have greatly enjoyed the business and all of the wonderful people and animals we have come to know over the years.

We love and will miss all of our wonderful employees, clients and their owners. We are extremely happy and proud that we were able to find Carrie Haas, a wonderful lady, to take over the business and carry on the legacy of La de Paws.

Sincerely,

Jay and Jeanie Tullis

A note from Carrie

Hello, I am absolutely thrilled and excited to be working with the team at La de Paws. I have been in Corporate America for over 16 years in Human Resources but decided it was time to work in an area of my passion, animals! Thanks to Jeanie and Jay, I have the opportunity to come into an already successful business with an established team, credibility and brand recognition. I look forward to meeting all of you and to provide the great experience that you and your pets have come to know and appreciate.
